The following is an examiner's statement of reasons for allowance:

The instant invention claims a composition comprising an embolic particle comprising a shape memory material.

The closest prior art references that relate to the claimed invention are Greene'261, Bose'111 and Kurz'622. The prior art teaches that it is known to make and use shape memory materials. However, the prior art does not teach or suggest the instant invention wherein the embolic particle comprises a shape memory material..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
